

SPEAKING EXAMS AND ANSWERS FOR EXAMOPHONES

Dr. Muhammad Khalil Moussa

 **01061567332**

Rules and Regulations

- 1- Answer the examiner on the phone. If you do not answer the examiner, you may lose the speaking exam service.**
- 2- Read the questions before the exam just to think about the ideas.**
- 3- The feedback will be sent to you on WhatsApp after the phone exam.**

How to score band 8 in speaking

1- Give complete answers. Never answer in short sentences.

2- Use conjunctions such as:

**For example, / So / In the beginning,
/ In my opinion/ However/ and/ but**

3- Use idioms in speaking: (**I work around the clock.** مشغول جدا)
(**I am up to my ears at work and study**)
(**My cup of tea is**)

4- Use a variety of sentence structures such as complex sentences:

If I talk about...

When it comes to

as far as I know.....

5- You can correct your grammar mistakes while speaking.

6- You can ask the examiner about the meaning of the question.

7- If you do not hear the question, you can say, sorry / Excuse me!

8- Smile and relax with the examiner. Be natural in your answers. You can fake an answer; you do not have to tell the truth all the time.

9- Do not repeat the same words of the question. Try to answer on your own words.

10- Get rid of grammar mistakes and hesitation in speaking. Speak slowly and think of your answers in advance.

Speaking Questions and Answers (For Examophones)

Dr. Muhammad Khalil Moussa

Family Gatherings with food + spending quality time with my daughters + going out for walking and running.

Q3: What role does the camera play in celebrating?

Cameras and recorders are integral parts of many celebrations + New Year + Eid Al-Fitr + birthdays + capture many pictures + childhood and school days memories.

(Test 2)

(Part 1)

Q1: Do you like foreign or domestic films?

Ideas: mental health [I am not into homemade films + American movies + not to knock the others + incredibly entertaining and well-made + learn new slang language]

Q2: Do people like to go to the cinema to watch movies?

Ideas: time/money [not too much + cost them an arm and a leg + opt to spend quality time with the family conveniently and comfortably.

Q3: What are the different types of movies?

Ideas: mental health [Comedy + romantic + I am still as a kid at heart + kids' movies + innocent and simple + are packed with life lessons]

Q4: How is technology used in films?

Ideas: Significant impact on the film industry + transform the films from black and white into High-definition movies + enhanced sound effects + easier editing tools + boost the efficiency of the production process

Q5: What are the differences between Hollywood movies and Egyptian movies?

Ideas: Although Egypt is Hollywood of the Orient, some authorities grab many ideas from Hollywood and try to adapt the content to our local audience

(Part 2) (Cue card) Describe a natural place (e.g. parks, mountains). You should say:

- Where this place is
- How you knew this place
- What it is like
- And explain why you like to visit it

Suggested answer: When I was six years old, my father took me to..... during summer vacations + I had a gala time with my family members + This place is different from usual cities + away from the hustle and bustle of urban areas and is undoubtedly a hill station + not a well-developed hill station + so few facilities exist. There are only a few hotels + famous for its climate + Sometimes, you get scorching heat, and after 15 minutes, there is a cold temperature. Hence, the weather remains ambiguous over here + I use this natural place as a stress buster because it keeps me away from the city's noise. While relaxing in the lap of nature, I feel overwhelmed.

(Part 3)

Q1: What do you feel when you lose something important to you?

I feel down in the dumps + makes my stomach churn + elevates stress + my mind does not want to prove that

Q2: What did you learn when you lost something important?

Never trust strangers + you can never be careful enough + never put all your eggs in one basket + ask for help

Q3: Have you ever returned a lost item to its owner in your life?

Gold earrings + next to my residential building + searched at possible places + posted on Facebook + my neighbour told me about the earring's specification + returned them to her

(Test 3)

(Part 1)

Q1: Do you like talking with people?

Ideas: Friends [Social person + every day on my commute to college + pick up conversations with my fellow passengers]

Q2: How do you like spending time with friends?

Ideas: physical health/friends [go to the shopping mall + eat out at a restaurant + watch a movie in the theatre with my friends + play badminton with my friends.]

Q3: Would you like to study alone or with others?

Ideas: study [study alone + easier to concentrate + focus on my studies when I am by myself.]

Q4: Do you remember a time when you needed to cooperate with others?

Ideas: At my school's science fair in 10th grade + two more students in my team + each member of our team had a specific task + worked well together + because of our cooperation + got 2nd place in the fair

(Part 2) (Cue card) Describe the time when someone took a good photograph of you.

- When and where was the photo taken?
- Who took the photo?
- What does the photo depict?

Suggested answer: almost everyone has become a photographer + smartphones of today have made it possible + to take many selfies with my phone + I become very conscious in front of the camera + my cousin's wedding + new silk suit + dancing like mad to the tune of DJ + The cameramen were there covering it all + The photographer was very reluctant to give all the coverage to us + we insisted and he had to give in + wear a yellow suit with green embroidery + matching jewellery + This picture has come out very colorful + enlarge and frame the photo + the memories come in front of my eyes

(Part 3)

Q1: Do you like to take photographs?

capture a moment in time + become a method for creating a single story + influencing not only the perceptions of others but the perceptions we have of ourselves.

Q2: What are the new and easily available sources to capture photographs?

Mobile phones + share photos immediately on social media + Facebook, Twitter, and Instagram + much easier to see them + they are stored in my cell phones.

Q3: Which is better, taking a photo through a phone or a camera?

Smartphone cameras + a fantastic job of reducing the barrier to entry in photography + but if you are a hobbyist + the camera will be better + produce sharper images + high resolution + trigger more color, detail, and clarity.

(Part 1)

(Test 1)

Q1: What is your favorite color?

Ideas: light colors + the color I like the most is pink + a majority of girls have a fascination with this color+ a delicate color + means sweet, nice, romantic, charming, tenderness and playful + the color of the universal love of oneself and others.

Q2: Do colors affect your mood?

Ideas: Definitely+ baby green, baby blue and yellow + these colors put me in a cheerful mode + the blue reminds me of the blue sky, blue seas, oceans and nature + puts me in a good mood when I feel that I am in down in the dumps.

Q3: Does color matter when you buy things?

Ideas: I pay attention to the colors of any item whenever I purchase + check the different color options before finalization +for clothes, the households like bed sheets, curtains, dinner sets and conditioners.

Q4: What is the difference between color preferences of men and women?

Ideas: A number of differences + women have many color choices to wear + they are into light colors + go out + in contrary the men + tend to dark ones

Q5:Are there any colours that have a special meaning in your country?

Ideas: in my ccountry, almost all colours are associated with something. Red symbolizes happy events + in contrast, black is related to death

(Part 2) (Cue card) Talk about a wish that you could not accomplish for a long time.

- What is it?
- How long have you had it?
- What do you have to do to achieve it?

Suggested answer: one of my personal dreams + the dream of moving to the UK (or) England + provides services to people of different ages and different ethnic backgrounds + if you go to London you will find many parks where children can enjoy their time + many hospitals that provide excellent health services for the senior citizens and the elderly + + you will not suffer from ethnic discrimination + in contrary other countries like the US + suffered from segregation because of his Arab background + I follow up with news, political, economic and even cultural news about the UK + through their famous British Broadcasting Corporation (BBC)

(Part 3)

Q1: What are the important qualities to achieve our ambitions?

determination and hard work + quintessential features to fulfil our ambition and goals + luck plays its tricks + fortune favors the hard-working + the strong-minded people to succeed.

Q2: Are all ambitions good in life?

every positive ambition that brings success, happiness, prosperity and well-being to the person is a good one + we are driven by our selfishness, greed and materialistic achievement + any ambition that leads to personal greed is a bad one.

Q3: What type of ambitions do young generations in your country have?

the young generations aim for a prosperous career and economic freedom + focus on how to be famous, successful and well-known person + have a nice life with their partner + explore the world + want their country a flourish country in the future + violence and crime would be a thing of the past.

Q4: Would you focus more on achieving your ambition or doing things you love to do?

My ambition is quite realistic and not something like in fictional stories lead a life which would be surrounded by my family, friends and relatives + set up my own business or a job that is my ambition and dream

Q5: Do you think goals play a key role in life?

setting goals triggers your behaviors and helps guide your focus + cannot manage what you cannot measure

Q6: Do you think that today's generation can thrive without setting their goals?

Setting goals helps people to move forward + Keep working to achieve the goals helps us to define what we truly want in life

Q7: Too much ambitiousness leads to a disaster. What do you think about that?

By focusing too much on career ambitions + your happiness begins to suffer as it damages relationships, reputation and leads to catastrophic failure.

Q8: What skills are helpful to pursue our goals?

self-confidence, responsibility, planning and teamwork are quintessential to creating a clear vision of what you want to achieve.

(Test 2)

(Part 1)

Q1: Where do you live?

Ideas: I reside in, the newest neighborhood in Cairo + characterized by its spotless + clean as wheat + no traffic congestion + take a breather.

Q2: How long have you been living there?

Ideas: I have been living here since 2013 + I live with my family and my youngest daughter was born here in 2015 + I feel that I am under the weather + I stay out of there for a few days

Q3: What do you like about your neighborhood?

Ideas: affluent regions in my city + many green parks + children can enjoy their time with their parents + the hospitals provide excellent services for retired citizens

Q4: What changes would you like to see in your neighborhood?

Ideas: many facilities and services in my city + maybe one day we will have to make the services cheaper + the transportation means cost me an arm and a leg.

(Part 2) (Cue card) Describe a tall building in your hometown you like or dislike.

- Where it is
- What it is used for
- What it looks like

Suggested answer: There aren't exactly too many tall buildings + there are a few of them which, I think, deserve some attention + The Helton Hotel + is situated downtown + close to the metro station + in a very busy area + a popular accommodation for tourists visiting the city + serves as a venue for weddings and big conferences + approx. 25 stories tall + size is around 14000 square feet on each floor + is built with all kinds of modern building materials + fine limestone gravel, river sand + a huge parking space + is served by 24 24-hour elevator facility.

(Part 3)

Q1: What are the differences between the current buildings in your city and the buildings 20 years ago?

The traditional buildings are made of red brick wood + a number of buildings look the same + various buildings with different colors and styles have been going up in my hometown + The room is equipped with a kitchen and bathroom + convenient.

Q2: Describe the building styles in detail?

The Central Bank building + construction impressed me when I saw it for the first time + I was astonished by its size and marvelous architecture + the mall at the bottom + took the elevator up which was the fastest elevator that I had seen + an exciting experience.

Q3: Describe people's attitudes towards old buildings.

different feelings about old buildings + should be demolished + new ones should be made instead + old people are emotionally attached to old buildings + preserve and restore them.

Q4: Should we protect them? Why?

preserve some old buildings + especially those which have some historical importance + attract tourism + those buildings, which are in a very devastated state should be demolished + new ones built Instead.

**Q5: What role do you think old and modern buildings play in society?**

Many old buildings are protected by law + part of a nation's history + should be knocked down to make way for new ones + need houses and offices + modern buildings have a simple structure + makes its construction easy so that it can be finished in time.

Q6: What are the differences between houses and apartments?

House and Apartment are two terms used to describe several types of residential properties + Houses usually have more space, privacy, and freedom + a yard or garden + a private entrance + apartments are generally smaller + offer less privacy and space + do not have outdoor space + may have shared entrances or hallways

(Test 3)

(Part 1)

Q1: How have you decorated your house?

Ideas: My home walls are decorated with pictures of me and my family. Drawing walls are covered with my and my brother's academic and sports achievements + we have plant same medical and flowering plants on our veranda.

Q2: Do people like to decorate their houses?

Ideas: People who like to redecorate their homes feel bored in less time when they live in a similar decoration + so people like to redecorate their homes with fancy decoration with time.

Q3: What is your favorite color for decorating your house?

Ideas: lime green color + I even use it from my kitchen to my bedroom+ I make sure I have a bit of it everywhere in the house. It brightens my house.

Q4: What are the new trends in decoration?

Ideas: People are into decorating using fresh flowers that are being grown in various of their preferred colors + I have seen this being done both in the countryside and cities.

Q5: Is it important to keep your house neat and tidy?

Ideas: A tidy space can help improve your productivity + keep you safe, promote healthy social relationships + improve your family's teamwork.

(Part 2) (Cue card) Describe an English lesson that you enjoyed.

- What was taught in the class
- When you attended the class
- Where it was
- And explain what made it enjoyable

Suggested answer: enjoyed learning English + my favourite subject + I particularly remember one lesson that was delivered by my English teacher + Mr. Muhammad is one of the best teachers I have ever come across + taught us in an interactive and very interesting manner to make language learning fun + how to write an essay about tourism + most of the students were blank about the topic + decided to take us to the school library + he divided the students into groups and handed us over a few travel magazines and books to read + full of tourist places photographs and interesting information + after spending some time + shared some interesting and useful vocabulary + taught us how we should introduce our topic + we enjoyed the lesson to the fullest + we got the opportunity to learn a language in a very practical manner+ this lecture is still among one of the best memories of my school days.

(Part 3)

Q1: At what age should children start learning a foreign language?

Start learning a foreign language at the age of 4-5 + things learnt during that phase of life are retained and understood forever + It is the best age to build a base in perceiving and grasping anything.

Q2: Does a person still need to learn another language if he/she is good at English?

Learning one global language is not enough + learning foreign languages enhances one's opportunities in government, business, medicine, and technology + a second language improves your skills and your choices of getting an appropriate job + studying a new culture helps you meet new people and understand their own culture.

Q3: Do you think that minority languages will disappear?

dominance of global languages like English, French and German, many regional languages like (Navajo) are not being paid emphasis + no longer being used by the local people to communicate. Consequently, some youths refrain from learning these languages which will ultimately lead to their disappearance.

Q4: What difficulties do people face when learning a language?

In my opinion, every single language is difficult to learn, and English is not an exception. I mean, it might be easy to learn grammar and vocabulary, but it takes quite a long time to practice using the language fluently.

Q5: Do you think the way people learn English today is the same as in the past?

I'm pretty sure that the technique for learning English has changed overtime + traditional methods were predominant + today's world + technology plays a quintessential role + all online courses + language apps + interactive platforms + people have flexibility in choosing the way approach learning English.

(Test 1)

(Part 1)

Q1: Are you a tidy person?

Ideas: Yes + I cannot live a life being untidy + my things must be organized + books on my shelves are arranged + based on colors and thickness + my clothes must be folded neatly and properly + not to mention how my shoes are sorted from winter to summer shoes

Q2: Do you think that it is necessary to be tidy?

Ideas: Definitely, + keeping a clean space + organized + positive impact on both physical and mental health + reducing anxiety + venting out the stress

Q3: Do you think people should be tidy all the time?

Ideas: NO + tidiness is not one of life's necessities + it is a matter of being part of one's personality + if one is brought up by parents who are particular about tidiness, most probably he will be tidy + if one gives importance to cleanliness and orderliness, he cannot afford to live a life that is lack of tidiness.

Q4: Do you keep your workplace tidy?

Ideas: as much as I can + organize loose papers + discharge unnecessary items + cluttered desks, and left-over food to contribute towards a messy workplace + maintain good personal hygiene to prevent from spreading diseases.

Q5: Are you tidier at work or at home?

Ideas: Of course, at home because that is where I live + it is my personal space + Although I still think that it is incomparable to how I organize my things at home. In my office, I do not have the absolute freedom to organize things completely due to office rules. I need to adhere to some regulations that our office has set.

Q6: Are your family members tidy?

Not all of them + I remember growing up, my sister used to make a mess in her room + she could never find what she needed + my brother is not good at keeping things clean, neat and in order + I think he would be a mess without my mom.

(Part 2) (Cue card) Describe an object you find particularly beautiful (for example a painting, a sculpture, a piece of jewellery/furniture etc).

- What is it
- Where you saw it
- What it looks like
- And explain why you find it particularly beautiful?
- And explain what made it enjoyable

Suggested answer: Sometimes we come across so many objects which we find particularly beautiful + I vividly remember when I went on an art gallery trip during my college time + the entrance was free, so we decided to go to this art + we looked around there + a beautiful piece of art painting + it was made by oil painting + the little information described in the corner of this painting + describes its material and other things used in this painting + a scene of a mother holding a baby in her arms + real that I felt how the baby felt so safe in her mother's arms and their facial emotions were so real

(Part 3)

Q1: Do you think there are more beautiful things now than in the past?

beautiful things like artwork, handicrafts, and even architecture are being created everyday + The development of technology should take credit for their creation + For example, the camera and all kinds of graphic editing software give people the opportunity to innovate in photography.

Q2: Do you think there are more scenic spots in Egypt than in other countries?

Absolutely, with our improved economy, there are more opportunities for artists, designers and photographers to create stunning works + people now have more opportunities to appreciate and create beautiful landscapes.

Q3: Why do people create beautiful things?

There are many reasons, but one common motivation is financial gain. In the past, cafes did not focus on beauty but with increasing competition, creating beautiful things is also in demand because they make people feel good.

Q4: Is it important for items/objects to be only functional, only beautiful, or both?

Both + beauty provides a great experience and represents the visual and ergonomic (comfortable) appeals of the product while functionality refers to the performance of the product and the purpose for which a design is developed.

(Test 2)

(Part 1)

Q1: Have you ever visited a farm?

Ideas: Yes, usually we go for a farm visit every two months + is a nearby city + we have free time, so we visit it

Q2: What kind of farm do you like?

Ideas: There are various farms like birds, animals, fruits and vegetable farms in my country + a hen farm + a great love for chickens since my childhood + know the various processes that are involved in raising the chicks.

Q3: Have you ever done any farm work?

Ideas: I love nature + In my childhood + when I had free time + I watered vegetables and fruit plants. I also helped my parents milk cows.

Q4: Do you think farming is important?

Ideas: Yes. In my country, it is basic that we all survive + everywhere there is the land which produces many requirements of us + exporters of many products which come from farming.

Q5: Does your country still use traditional methods of farming?

Ideas: Yes, they still do + some people who cannot afford heavy machines on farms + use the traditional method of farming + heavy machine farming will cause a lot of unemployment and consume money + cattle for grazing the fields and flowing methods done using their manual power rather than using tractors or other machines.

Q6: Do you have a lot of furniture in your house?

Ideas: plenty of various kinds of furniture + my parents love to buy both new and second-hand furniture + there are more second-hand pieces of furniture in the house + mom is an antique collector + include a grandfather clock + a partner's desk + many more that I do not even know the names.

Q7: Which among them is your favorite?

Ideas: actually, my bed is my favorite piece of furniture in my room + a double bed with moderate space for me + special materials to make the bed comfortable + is made of wood, iron and plastic materials. the bed design is innovative and brings good.

Q8: What kind of furniture would you like to buy?

Ideas: I am a minimalist + I avoid having many kinds of furniture in my apartment + I think about every piece of furniture I need + I believe I do not need to buy another kind of furniture + buying one is just a waste of money.

(Part 2) (Cue card) Describe a time you used your cellphone to do something important.

- What you did
- When it happened
- How important the cell phone was
- And explain how you felt about the experience

Suggested answer: One time when I was studying for my IELTS exam + a few months ago + felt really overwhelmed (exhausted) with all the material I had to cover + downloaded a few IELTS preparation apps to help me study more efficiently.

(Part 3)

Q1: Should parents limit the time children spend on their phones?

Many people today argue that children spend many hours on their smartphones + a natural result of the conveniences these phones afford + parents are busy and tired + overuse of smartphones impairs children physically and mentally.

Q2: What are the uses of smartphones?

Users can make and receive phone calls + some offer text messaging + web browsing + video chatting + virtual assistants

Q3: What are the negative effects of cell phone dependence?

Negative effects might exist depending on how one employs it + time-consuming + there are drawbacks of cell phones such as the potential loss of privacy if your phone is lost + according to some investigations, mobile phone towers can harm one's well-being in various ways including abnormal cell immunity, sleep deprivation, anxiety, and children's blood cancer.

(Test 3)

(Part 1)

Q1: Did you go for picnics as a child?

Ideas: Of course, + when I was a toddler + I went to picnic places many times + my parents were fond of exploring new places and whenever they went to any place + they always took me with them

Q2: Do you go now?

Ideas: Sure, + spend quality time with my family + I go for a couple of trips and day outings like trekking (trips) + or hiking. we still have family get-together plans to some hill stations and book a villa for a stay.

Q3: Where do you go for a picnic?

Ideas: There are some locations which I like to go for a picnic + prefer to go for a silent place I prefer a hilly area + so I think these things are quite compatible with my lifestyle

Q4: What is the difference between eating outdoors and eating at home?

Ideas: Even though there are a lot of differences between them as we also do recreational activities with friends + play a lot of games at the same time together + we like to make a lot of recipes where we eat various delicacies.

(Part 2) (Cue card) Describe an important thing you learned, not at school or college.

- What it was
- When and where you learned it
- Why do you think it is important
- And explain how you felt after learning it

Suggested answer: two months ago, + my summer vacation+ free from my academics + improved my culinary skills + my mother gifted hand in cooking + how to cook Italian, Chinese and Indian cuisines + My mother recommended me to learn baking + the most important part of cooking + learn baking first + cook Indian food + cooking is an integral part of every individual's life as food is the basic necessity of human being.

(Part 3)

Q1: What can children learn from their parents?

They learn to articulate (express) their emotion + preserve in the face of diversity+ grow from their mistakes + develop a host of other skills and capacities that allow them to live lives they find more rewarding.

Q2: What can children learn from their grandparents?

observe their behavior + correct them + go wrong and praise good behavior + reinforce the foundation of a strong value system + a sense of right and wrong + children love listening to stories and grandma's and grandpa's tales + the tales involve kings and queens, fairies or imaginary or real animals + their imagination blooms

Q3: What are the important skills in the workplace?

Leadership skills + soft skills + employers look for in candidates + helpful at all levels of your career + motivate others + ensure tasks are completed promptly + Interpersonal skills allow you to interact with and work well with others + a position that requires you to work directly with customers + need to work with colleagues and managers + build relationships + communicate effectively and appropriately handle situations.

Week

6

(Test 1)

Part1

Q1: Are you good at memorizing numbers?

Ideas: I suppose so + remember the birthdays + phone numbers of my beloved family members and close friends + have a hard time memorizing the dates of historical events.

Q2: Do you have a favorite number?

Ideas: My favorite number is 1 + the date of my birth + whatever work I do on this date, I always get success.

Q3: Are you good at math?

Ideas: very good at math + rely on the calculator for difficult calculations + chose math as a major subject in my senior secondary education.

Q4: Would you like to have a job dealing with numbers?

Ideas: Definitely not. I am quite an artistic and creative person + working with data and figures is simply not for me.

Q5: For what purpose do we use numbers?

Ideas: While purchasing products + keeping track of time and many other things + counting how many people are there at the office + my heart rate while exercising. I need to make sure that it exceeds 100 beats per minute to get the most out of my workout.

(Part 2) (Cue card) Describe a pleasant surprise you had recently.

- What it was
- Who gave you the surprise
- And explain how you felt about it

Suggested answer: my birthday + pleasant surprise for me + I was really glad about the event + in the middle of June + I am an international student in Saudi Arabia + need to pass the day without my family + I did not disclose my birthday date to anyone + knew about this from my Facebook account + a birthday cake in the class + I did not understand that the cake was bought for me + asked me to blow out the candles + I was really surprised. + some light snacks for everyone in the class + I cut the cake after the classes were done. One of our teachers was present at the event + When I was at home + homemade + invited our relatives + this time it was completely different and unusual for me + the attractive presents + singing the birthday song. the best birthday of my life

(Part 3)

Ideas: Yes, I did numerous sports + when I was young + I took participated in every kind of sport sometimes + did sports activities with my friends + depended on the situation in which I was suffering.

Q3: How do you keep healthy?

Ideas: I try to eat a balanced diet + plenty of fresh fruit and vegetables + try exercise regularly at home or fitness centers + either running or going for a bike ride as a daily routine + admit that with all my studies + conscientious about my health

Q4: Is it important to work out?

Ideas: Exercising is very important for me + works as fuel to the machine of our bodies + Changing lifestyles + excess workload + excessive tensions and worries and mother reasons convince us to exercise regularly to remain satisfied and physically fit.

(Part 2) (Cue card) Talk about a TV show you like to watch.

- What it is
- When you watch it
- What it is about
- And explain why you like it

Suggested answer: I do not watch TV shows much these days + during my leisure time or at weekends + I accompany my nephew + to watch Mr. Bean's show + the biggest fan of Mr. Bean + The uniqueness about this show + is nodialogue in it + based on humorous actions + a different theme such as a wedding, a birthday party, a shopping center, a clinic + Mr. Bean has been shown like a stupid person + put himself in trouble with his ridiculous actions + Mr. Bean was attending a party + spilled the juice all over the table and his clothes + felt embarrassed about the same + burst into a laugh + took off his own T-shirt to clean that table + I like to watch this show because of the main character Mr. Bean + his acting and energy are unmatchedable.

(Part 3)

Q1: What do Egyptians like to watch on television?

Egyptians love Television + nature + with quarantine forcing people of many job types to stay at home + end up watching more TV + consuming more content + Netflix has been available in Egypt since 2016 + readily offering services for fairly cheap and easily shareable accounts + easy to understand why Netflix is a popular streaming preference among the people.

Q2: Do you like to watch shows from other countries?

Definitely, it helps to know how things are happening in another part of the world + understand foreign languages + watching foreign flicks allows you to visit other countries from your home + learning about their landscapes, art, architecture, monuments, foods, fashion, language, customs, and culture.

Q3: Do you think watching TV shows can be educational for children or a waste of time?

Television is an important part of every child's life + Educational shows inspire kids to take actions + engage in productive behaviors + make them learn while having fun + if the child spends too much time on TV instead of going outside and exploring the real world + not be able to develop a strong imagination + Kids who watch too much TV are at the risk of developing obesity and other health disorders.

Speaking TEST 1

Dr. Muhammad Khalil Moussa

01061567332

Part One

Do you like having dessert?

Yes definitely + I have a sweet tooth + cakes are one of my favorite desserts + never miss storing some cakes in our refrigerator + eating a slice of cake after a meal is heaven on Earth.

1. Do you like eating cakes?

Like most people do on special occasions + natal day, wedding, Christmas, and New Year + indulge myself by eating cakes + served during those wonderful occasions

2. Have you ever made any cakes?

Yes, I do + I am a professional pastry chef + work in one of the best cafes here in this city + baking is part of my daily routine at work.

4. In your culture, do people usually eat dessert after lunch?

I do not think so ... + costs them an arm and a leg + eat them on occasion + prices inflation.

(Part 2) (Cue card) Describe a person who you believe dresses well.

- Who he/she is
- What kind of dresses he/she wears
- How you know him/her
- And explain why you like her sense of dressing

Suggested answer: Dr. Farida is a middle-aged woman + quite successful at work + works at an international company + meets foreigners, VIPs and big shots daily + has to look trendy and keep up with the latest fashion + we are all impressed by her elegance + takes a lot of pride in her appearance + we expressed our admiration for her appearance + the secret to her elegance by saying that she doesn't care much about brands but she cares about colors + in the morning she is always keen on putting on something bright in color (yellowish or whitish) + inspires positive

Part three

1. What factors do people consider when buying clothes?

The materials and fabrics + purchase clothes made from high-quality and sustainable fabrics + clothes made from natural and organic materials + reduce the disastrous environmental impact of fashion + lower pollution, energy consumption, water usage, chemical release, and greenhouse gas emissions.

2. Where do Egyptians usually buy clothes from?

Many people buy brand name clothing + like the style + want their clothes to last a long time + buy a certain brand of clothing + good quality + buy brand name clothing + to make them look more stylish and hipper + like to have that name on their clothing + make them feel important.

3. What is the difference between men's and women's preferences with regard to clothes?

different shopping habits + men will shop less + need new clothes + do not buy much + spend less money on what they buy + Women buy clothes more often + pay more for their clothing + buy new clothes because they want to be in style + do not mind spending money.

4. Do clothes affect individuals' moods?

A proper outfit can elevate your spirit + motivation levels + esteem and confidence + allowing you to take on challenges at work and in your personal life.

Speaking TEST 2

Dr. Muhammad Khalil Moussa

01061567332

Part One

1. Do you like texting?

Yes, I prefer texting a lot + gives me a lot of time to chat with the other person + improves my typing skills which is useful as a software engineer.

2. Do you prefer sending or receiving messages?

I prefer both sending as well as receiving messages + want to communicate something on an urgent basis + prefer sending a message + the other person wants to reply + be waiting for the person's request as well.

3. In what circumstances is it better to make a call rather than send a message?

If I have to convey a piece of information that is in a very lengthy manner or something which cannot be understood in a text message, then insert scenarios. I would prefer calling the person directly, and once in a blue moon, it is always better to talk to the person rather than texting.

4. Have you ever got a confusing text message?

Yes, most of the time I have received confusing messages expression during office conversations + The clients are mostly from other countries + They send text which is not easily understandable + request them to have a call and make a call to them.

(Part 2) (Cue card) Describe a time you had a disagreement with someone.

- Who he was
- Why you had the disagreement
- And explain how it was resolved

Suggested answer: This happens with our family and sometimes with friends + a recent disagreement I had with my friend, Mani + my best friend since childhood + our relationship with one another is very straightforward + express our views very openly + consult each other before making any new decision + A few days back + seek my advice regarding the furniture + buy for her living room + buy a sofa and bed online + offer a 50% discount + I advised her not to buy furniture online + cannot check its durability just by looking online + unable to observe what kind of polish is done + shared my own experience with her about buying a table from Amazon + the quality of the wood they used was not good + kept on insisting just because of the big discount + visit a furniture showroom in our city before placing an order online + she agreed and joined me to visit there + put the idea of online shopping at the back seat and followed my advice.

Part three

1. Is it easier for you to have arguments with friends or family members?

I find it easy to have arguments with my friends + I am more open with them + being of my age + understand myself better as compared to my family members because of the age gap

2. If two people argue, do you think that a third person should be involved to settle it?

Certainly, it is a good idea to involve a third person when two people are arguing with each other + When individuals argue with each other + it is difficult for them to realize their mistakes + arguments go on for days or weeks + a third person can mitigate their confusion + bring a resolution.

3. Why do disagreements arise?

result from different personalities or differing perspectives on how to accomplish goals + The differences occur in the individual due to various reasons such as family background, values, attitudes, traditions, culture, education, and socialization process

4. Can disagreements be useful in any way?

Opens our eyes to new ideas + Conflict is incredibly useful as a creative, fine-tuning instrument to our ideas + teaches flexibility + have to discipline ourselves to not always have to be right + teaches us to listen + Successful relationships and negotiations cannot be forged with defensive, dominating people

Speaking TEST 3

Dr. Muhammad Khalil Moussa

01061567332

Part One

1. Do you like taking short breaks or long ones?

I prefer a short break + I am a +work hard for my education and my goals + short periods of breaks are helpful for me + help me to generate ideas + increase my creativity and innovation.

2. Why do we need breaks?

I think it is important to take a break while doing something +if a person is doing something continuously that person can feel very obsessed + the mentality that person need variety in their life and it also helped them to leave it in a consistent way.

3. How often do you take breaks?

I often take a break after an hour or half an hour + make my full concentration on my studies + my mental power is not working + learn a lot of things exams better + get good marks running is a process + takes 30 to 40 minutes after that mind feel very low + a person cannot give his or her 100%.

4. What do you do in your free time?

During the break most of the time I try to make myself more comfortable as I try to listen to music + I love it + get motivated if I get time to read a book or chapter which can help me enhance my overall knowledge of a particular topic.

(Part 2) (Cue card) Describe a place you visit to do outdoor activities or play sport.

- Who he was
- Why you had the disagreement
- And explain how it was resolved

Suggested answer: I would like to describe a place + go to do outdoor activities or play a sport + the outskirts of my city+ Green Valley Park + It's a beautiful park with a large green field surrounded by trees and hills + making it the perfect place to spend time outdoors + a plethora of activities + playing soccer + a large soccer field with well- maintained grass, making it an ideal spot to play a game of soccer with friends + a running track + goes around the perimeter of the park + go for a jog or a brisk walk + other sports facilities, including basketball courts and tennis courts, for those who want to engage in other outdoor activities.

Part three

1. How do outdoor games benefit children?

Spending time in nature + improves your mood and reduces stress and depression + engaging in physical activity produces similar benefits and often relaxes and cheers people up + your self-esteem will improve + outdoor exercise stimulates all five senses in a way that indoor activities cannot.

2. How are group activities beneficial for children?
