

## **Week 2 Session**

### **Wednesday Session (29 May, 2024)**

#### **Reminders:**

- ***The IELTS Café is tomorrow Thursday at 8 PM: Immigration to Canada. This is not obligatory. This is optional. It's recorded.***

#### ***How many of you are waiting for the correction??***

- You will receive the correction of the first essay tomorrow, Thursday at 9 PM.

I have a piece of advice:

- Open the correction on the **laptop**, not the mobile phone.
- Do not cry or panic about any bad score (Band 6 is an excellent start).

Band 5:

- Why some students have scored 5?
  - 1- They wrote less than 250 words. (band 4.5 and 5) = computer based (word count)
  - 2- Grammar mistakes

You will cry and panic.

- The correction will be sent around 9 PM on the material group in a folder.
- Write the mistakes in the file of My Mistakes and Proud
  - WhatsApp group.
  - My Mistakes and 'Proud

How many of you are depressed?

- **The Enrichment Session is Saturday 1 PM- 2:30 PM: Common Mistakes in Grammar and Vocabulary / How to Study/ A Quick Recap**

=====

## Speaking Evaluation Standards (Rubric)

**Examiners and Interviewers evaluate your performance according to these standards:**

**Speaking Exam: 15 minutes IELTS**

**One to one + recorded**

**Standards of evaluation:**

**4 standards:**

- 1-** Fluency and coherence
- 2-** Lexical resources (vocabulary)
- 3-** Grammar: accuracy and variety
- 4-** Pronunciation

**Exam:**

**Part 1: 2- 3 sentences**

**Part 2: 1- 2 minutes (how to speak for 2 minutes): you cannot change the topic.**

**Part 3: 2- 3 sentences**

|                                                                                                    |                                                                                                                                                                                                                                                       |
|----------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Fluency and relevance</b>                                                                       | <ul style="list-style-type: none"> <li>- In part 1 and part 3: dialogue = answers are in 2 to 3 sentences (connectors)</li> <li>- In part 2, it is a monologue: you have to speak for one minute and a half.</li> </ul>                               |
| <b>It does not mean speaking fast.</b>                                                             | <p><b><u>How to expand part 2:</u></b></p> <p><b><u>Talk about a person you follow on social media. (cue card)</u></b></p> <p><b><u>Preparation: 1 minute to prepare yourself (paper + pencil + topic) + 1 speak</u></b></p>                          |
| <ul style="list-style-type: none"> <li>-ideas</li> <li>- sentences</li> <li>-connectors</li> </ul> | <ul style="list-style-type: none"> <li>- <b>Who he is</b></li> <li>- <b>Why you follow him.</b></li> <li>- <b>Does that person serve the community</b></li> </ul>                                                                                     |
|                                                                                                    | <p><b><u>Part 2 expansion technique: (brainstorming idea: WHTFM)</u></b></p> <p><b><u>Starting sentence in part 2:</u></b></p> <ul style="list-style-type: none"> <li>- I'd like to talk about...</li> <li>- Let me first tell you about..</li> </ul> |

- Let me kick off my talk by saying that...
- Let me first discuss the topic..
- Let me say that..

**Note:**

If I talk about an Arabic movie or a song, you can simply say the name and then translate its meaning.  
Let me talk about el-da7i7 which means the nerd.

- **Wh question (where/ why/ when/ how often)**
- **Why**
- **Example**
- **Ppf (past/ present/ future)**
- **Positive/ negative**

**Connectors: (coherence)**

**Let me tell you about**  
**In fact, this is why**  
**For example**  
**Eventually, in the future.**  
**In a nutshell,**

**Enemy to fluency:**

- Hesitation/ stuttering / pauses
- **No pauses while speaking:**

**How to get rid of pauses?**

- 1- Root cause of pauses is Arabic = in Arabic.
- 2- Take a deep breath
- 3- Don't speak fast
- 4- Develop a new habit:  
Aaaaaaaaaaaaaa === mmmmmm

Gap Fillers and starters: (stretching)

- Well/ Actually/ Basically/ you know... (raising intonation)
- As a matter of fact
- Honestly
- And...
- But...
- However
- For instance...
- This is why
- That's a good question
- Let me think
- I've never expected that question....

What's your neighborhood? (no pauses)

- Well, I live in New Cairo with my family and I've been there for 3 years.

Notes:

- If you can't hear the question properly, avoid "what"/ "sorry": excuse me?
- You can ask for the repetition of the question if you do not understand it:
- "I'm afraid/sorry I don't hear you or don't understand the question."
- Would you please rephrase the question?
- "I don't get what you mean." (do you mean type of food?/ elaborate)
- If you don't hear the question, you can ask the examiner for the repetition:
- Sorry?/ pardon me? Excuse me?
- Never say "what?" in any conversation.

**You can ask for an explanation twice during the exam (15 minutes)**

- **You already have the exam questions (May/ June/ July/ August)**
- **Speaking booklet + examiners + exams + audios (Study plan)**

## Coherence and connectors

### Connectors

Can I repeat the same connectors?

And but so

| To Add to an Idea | To Compare Points | To Prove a Theory | To Show Exception | To Give an Example | To Show Sequence  |
|-------------------|-------------------|-------------------|-------------------|--------------------|-------------------|
| And               | However           | Because           | Nevertheless      | For example        | First             |
| Furthermore       | In contrast       | In any case       | However           | For instance       | Second            |
| Besides           | Although          | Moreover          | In spite of       | To illustrate      | Third             |
| Finally           | Nevertheless      | Evidently         | Sometimes         | To demonstrate     | Fourth, etc.      |
| In addition       | Meanwhile         | Obviously         | Of course         | In this situation  | Then              |
| Again             | By comparison     | Indeed            | Yet               | Take the case of   | Next              |
| Equally important | On the contrary   | Since             | Once in a while   | On this occasion   | When that is done |

**Note:** Do not use “firstly”, “secondly,” etc.

### Other cohesive devices:

- Another
- This shows that... This means that.... This reflects that...
- As I said before,
- As I stated earlier,

### Connectors:

- And
- But
- So
- Because
- However
- For example
- For instance,
- As a matter of fact,
- In fact. ,
- Actually,
- So
- In a nutshell, (writing = formal)

|                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                    | <ul style="list-style-type: none"> <li>• All in all,</li> <li>• Later on,</li> <li>• After that,</li> <li>• Afterwards,</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <p><b>Lexical Resources and Vocabulary</b></p> <p><b>Variety of vocabulary</b></p> | <p><b>1- REFRAIN FROM PARROTING</b></p> <ul style="list-style-type: none"> <li>- Try not to repeat the exact words from the question = band 5- 5.5</li> <li>- You can use synonyms (neighborhood=district)</li> </ul> <p>- You can paraphrase the question (junk food= street food) or traffic jam= congestion or streets crowded by cars and vehicles.</p> <ul style="list-style-type: none"> <li>- <b>Go straight into the answer by using examples instead of repeating the question:</b><br/> <b><u>Example:</u></b><br/> <b>Do you like at the sky?</b> <ul style="list-style-type: none"> <li>• I enjoy looking at the sky and stars.</li> </ul> </li> </ul> <p><b>What kind of books do you read?</b></p> <ul style="list-style-type: none"> <li>- I don't like reading because I prefer watching documentaries.</li> </ul> <p>- <b>What's your hometown?</b><br/> <b>Student: My hometown is Mansoura.</b></p> <p>- <b>What's your favorite dessert?</b><br/> <b>My favorite dessert is cookies.</b></p> <p>- <b>I'm into cookies</b></p> <p><b><u>Who is your role model?</u></b><br/> I respect my father.</p> <p><b><i>How to overcome repeating the same vocabulary?</i></b><br/> <b>1- Try to get into the answer.</b></p> |

## How to expand my vocabulary for speaking?

### **This is the rule of thumb:**

- The best source for speaking is to listen to speaking audios.
- Study plan + script + audios

## 2- **Idioms and phrasal verbs: (Use idiomatic language)**

### **How many idioms in the speaking exam? (3 to 5 idioms)**

### **Can I overuse idioms?**

### **Example**

- **Question: How often do you go to the gym? (overuse of idioms = 5= unnatural English)**

**Student:** Oh my God, this question is my cup of tea, and going to the gym makes over the moon especially that I'm down in the dumps at work.

**Rule:** one idiom

### **Can I change the vocabulary and grammar?**

Cost an arm and a leg. = expensive

### **How to remember idioms?**

Idioms + WHTFM

W/ S=

- my bread and butter = source of my income
- I work around the clock = busy
- I'm up to my ears = I've got too much on my plate = very busy
- I'm always on the run = I'm very busy/

H: -happy : on cloud 9 (happy) + over the moon/ sad: blue/ down in the dumps

T

F: second to none/

F: a shoulder to cry on/ my backbone

M: budget friendly/ cost an arm and a leg

Like: my cup of tea (watching movies at the weekend is my cup of tea).

**Can I negate the idiom?**

**It's not my cup of tea (correct)**

| <b>Idea</b>       | <b>Idiom and expressions</b>                                                                                                                                                    | <b>Phrasal Verb: verb + preposition</b>                                  |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|
| <b>Work/Study</b> | Work around the clock/ up to my ears/ I'm overwhelmed with lots of professional commitments/ my work is my bread and butter/ go the extra mile/ I'm always on the run/ busy bee | Get along with my work mates and classmates/ hang out with my colleagues |
| <b>Health</b>     | In the mood/ out of the mood/ stay in shape/ stay positive                                                                                                                      | Look after yourself/ vent out stress                                     |
| <b>Time</b>       | Time flies/ old is gold/ in the long run / time consuming                                                                                                                       | Look back in time/ look ahead/ take up a lot of your time                |
| <b>Family</b>     | Second to none/ over the moon/ down in the dumps/ my backbone                                                                                                                   | Look up to them/ lean on them/ stand by me                               |
| <b>Friends</b>    | My cup of tea/ they are a shoulder to cry on.                                                                                                                                   | Chill out/ keen on having them around                                    |
| <b>Money</b>      | Cost an arm and a leg/ money talks/ I don't have money to burn.<br>Budget friendly (cheap)= affordable                                                                          | Squander on/ shop around/splash out (waste)                              |
| <b>Opinion</b>    | Off the top of my head/ without a shadow of doubt                                                                                                                               | In my humble opinion/ from my perspective                                |
| <b>Others</b>     | I've lost my train of thought/ in a nutshell/ we're on the same page                                                                                                            |                                                                          |

**Grammar variety**

**There are 3 types of complex sentences:**

**What's the most important type of sentence?**

- Simple
- **Compound (and / but/ so)**
- **Complex: how many types of complex? 3 types of complex:**
  - **If**
  - **Which – that- who – where- whose**
  - **When / after/ despite / although/ in spite of / because.....**

**How to improve my pronunciation?**

**The key to better pronunciation is listening, repeating and recording.**

**During the course:**

**Input = audios**

**Voice notes: fluency + pronunciation**

**Voice goes up:**

**Do you like online learning? (Starters + Connectors)**

**Well, I'm not very much into online learning because**

- **Shadowing:**

- Your pronunciation matters, but your accent does not. You can have L1, American or British accent, and it is acceptable as long as your voice is clear and your words are easy to understand.
- If you have any stuttering issue (medical), please get a medical report.
- **You must watch the pronunciation video from Week 1 Study Plan: let's revise the important words.**
- Listen to the speaking audios and record your voice notes.
- **Intonation: Raise your voice with these magical words:**
  - Because
  - Any connector: however/ in addition/ moreover/ but/ and/ in a nutshell,
  - Any starter: In my humble opinion/ Honestly/ Basically. Any important keyword.

**How to recall all these techniques? I-C-C (how to recall them?)**

**Fluency**

**Connectors**

**Idioms**

**Complex**

---

**Students = 6 + Exam = 8**

**(fake it until you make it).**

**IELTS:**

- **Fluency**
- **Idioms**
- **Complex**
- **Pronunciation**

### A) Speaking Table for Part 1 and Part 3 (2-3 sentences)

| Starters to avoid pauses + have time to come up with ideas                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | Way of Answer                                                                                                                                                                                                                                                                                                            | Explain Answer                                                                                                                                                                                                                                                                                                   | Conclusion (OPTIONAL)                                                                                                                                                                                                                                                                                  |

If I talk about...

When it comes to...

If you want my honest opinion, I can say that...

While many think that..., I believe that...

It's believed that....

It's crystal clear that...

**Note:**

- **Raise your voice with connectors and keywords.**
- Use contraction: I'm I don't I can't I'm not into

# Sample Speaking Exam and Let's watch a speaking exam LIVE.

## Speaking test

### Part 1 (Interview)

- Can I see your ID?
- What is your name?
- Do you live in a house or an apartment?
- What is your favourite part of the house?
- What item in your house do you care about the most?
- Do you have any common property that you share with your family?
- Which skills did you inherit from your parents?
- Which skills did you learn at school?

### Part 2 (Cue Card)

Describe a time when you were very busy. You should say

- when it was
- why you were busy
- what you did
- and explain how you felt about it.

### Part 3 (Discussion)

- Why do people work long hours?
  - In what ways can employers compensate people for working long hours?
  - Do you think incentives are a good way to compensate for long workdays?
  - What do you think about pressure at work? Is it good to have?
  - Do you think employees work best under pressure?
-

## How to score band 8 and improve your speaking fluency

### **Follow these steps to become fluent:**

1- Subscribe to <https://www.ielts-blog.com/>

2- Watch IELTS Speaking exams on YouTube (Band 8 IELTS Speaking Video)

### **3- Listen to the speaking audios from the study plan:**

- Listen to the audios while driving, cooking or working.
- Listen again attentively.
- Record your voice notes to improve your fluency. Record more than once.

4- Practice speaking with examiners, and study the feedback.

5- Send the voice note to the group for evaluation.(self- speaking – fluency)

6- Have a speaking partner just for fluency (on Zoom or on the phone).

7- Prepare the expected speaking questions by brainstorming ideas. Use them with your partner.
